

Volunteer Doctor Required for Nishtha Rural Health Clinic

3 months: November 2009 - January 2010

Must be fully qualified MD, English speaker, some medical experience and interest in alternative medical practices, particularly homeopathy and acupuncture
Knowledge of Hindi useful but not essential

Ours is a primary health clinic which provides free or subsidised medicine for up to 30 very poor local people daily. We are situated in a very beautiful village against the Dhauladhar mountain range of Himachal Pradesh, North India with easy access to Dharamsala, home of HH Dalai Lama.

Accommodation and meals will be provided.
